

Sunday Evening Dinner Guidelines for Volunteer Groups

- Plan for dinner for approximately 20 women and 20 children ages 3 and over.
- Arrive at 5 p.m. and serve by 5:30 p.m.
- Bring comfort foods – lasagna, chicken, meatloaf, etc.
- Bring tableware and beverages.
- Mix in with the families and eat dinner with them.

A few other important points:

- If the weather permits, the meal will be served in the backyard. If the weather does not permit holding the meal outdoors, the meal will be served in the lobby.
- While Sheffield Place encourages clients to pursue the spiritual path that is meaningful to them, we are a secular organization. As such we do not have religious content in our programming.
- Volunteers may not take photographs of clients.
- Volunteers may not exchange personal contact information with clients.
- Should a volunteer know a client, the client's participation in the program must be held in strict confidence.
- For liability and confidentiality reasons, volunteers must be 16 years of age or older. Children under that age are not permitted.

Sheffield Place greatly appreciates your support and involvement with the mission of healing and self-sufficiency.
